Overall Length:

0.543 inches

Mounting Method:

Flange

Material:

Copper alloy contact

Material Specification:

Qq-c-533 federal specification single material response contact

Surface Treatment:

Gold contact and nickel contact

Terminal Type And Quantity:

1 wire wrap end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
