Overall Length:

6.430 inches

Overall Height:

0.500 inches

Overall Width:

5.230 inches

Unthreaded Mounting Hole Diameter:

0.186 inches single mounting facility and 0.191 inches single mounting facility

Mounting Facility Type And Quantity:

5 unthreaded hole single mounting facility

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
