Overall Length:

0.900 inches

Overall Height:

1.310 inches

Overall Width:

1.000 inches

Special Features:

Two various sized unthreaded through hole

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
