## NSN 5999-01-296-7594

A23900

Ventilating Radio Frequency/electromagnetic Interference Shielded Panel - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-01-296-7594

Overall Length:
7.250 inches
Overall Width:
3.500 inches
Special Features:
Body thickness: 0.500 in.Nom; design type: reusable; filtering media type: honey comb; material: body, aluminum alloy baqq-a-200/9; surface
finish: body, chromate damil-c-5541
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
