## NSN 5999-01-303-4194

Electrical Shield Plate - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-01-303-4194

Body Style:
Rectangle, sharp corners
Overall Length:
2.880 inches
Overall Width:
3.250 inches
Unthreaded Mounting Hole Diameter:
0.310 inches single mounting facility
End Application:
Fire control system
Mounting Facility Type And Quantity:
4 unthreaded hole single mounting facility
Material:
Aluminum alloy 6061
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03600
