Overall Length:

0.125 inches

Overall Width:

0.750 inches

Thickness:

0.125 inches

End Application:

1430-01-087-6338 engagement control

Special Features:

Usage location: throughout rf shielding gasket; sealing medium material type: silicone rubber

Material:

Nickel and copper alloy and silicone

Shape:

Triangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506y0
