Overall Length:

3.400 inches

Overall Width:

3.050 inches

End Application:

Forward power supply

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t651 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
