Hole Diameter:

0.045 inches

Overall Length:

1.510 inches

Overall Width:

1.000 inches

Special Features:

Opposite corners cut out; one cut 0.320 inches by 0.250 inches; other cut 0.250 inches by 0.810 inches

Material:

Silicone and silver

Material Specification:

Mil-g-83528, type military specification single material response

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-g-83528 spec.
