Electrical-electronic Component Heat Sink - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-01-314-9157

Overall Height:

0.063 inches

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A03600
