Overall Length:

9.300 inches

Overall Height:

0.156 inches

Overall Width:

0.500 inches

Mounting Slot Length:

0.300 inches fourth mounting facility

Unthreaded Mounting Hole Diameter:

0.074 inches third mounting facility and 0.078 inches third mounting facility

Mounting Facility Type And Quantity:

3 unthreaded hole second mounting facility

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A03600
