**Overall Length:**

0.810 inches

**Overall Width:**

0.500 inches

**Mounting Device Quantity:**

1

**Mounting Method:**

Unthreaded hole

**Material:**

Steel comp 302 body

**Material Specification:**

Qq-s-766 federal specification single material response body

**Surface Treatment:**

Passivate body

**Surface Treatment Specification:**

Mil-f-14072, e300 military specification single treatment response body

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A02000

**Mil-std (military Standard):**

Mil-f-14072 spec.
