Point Length:

0.030 inches

Overall Length:

Between 0.065 inches and 0.075 inches

Overall Height:

0.067 inches

Overall Width:

0.030 inches

Point Height:

0.013 inches

Mounting Method:

Solder

Point Width:

0.017 inches

Material:

Copper alloy body and contact

Surface Treatment:

Solder body and contact

Style Designator:

A26e leaf tap contact w/ rectangular fixed point

Terminal Type And Quantity:

2 tab, solder lug axially at each end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
