Overall Length:

0.625 inches

Overall Width:

0.625 inches

Unthreaded Mounting Hole Diameter:

0.065 inches single mounting facility and 0.069 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Copper alloy

Material Specification:

Qq-c-576 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
