**Overall Length:**

0.625 inches

**Overall Width:**

0.625 inches

**Unthreaded Mounting Hole Diameter:**

0.065 inches single mounting facility and 0.069 inches single mounting facility

**Mounting Facility Type And Quantity:**

2 unthreaded hole single mounting facility

**Material:**

Copper alloy

**Material Specification:**

Qq-c-576 federal specification single material response

**Surface Treatment:**

Chromate

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
