Body Style:

Irregular

Overall Length:

8.436 inches

Overall Width:

1.232 inches

Unthreaded Mounting Hole Diameter:

0.186 inches single mounting facility and 0.190 inches single mounting facility

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061-t651 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
