Overall Length:

3.689 inches

Overall Height:

1.160 inches

Overall Width:

2.380 inches

Material:

Copper-beryllium, qq-c-533, alloy 172, temper 1/4h

Material:

Copper alloy 172

Material Specification:

Qq-c-533, alloy 172, temper 1/4h federal specification single material response

Surface Treatment:

Cadmium and chromate and nickel

Shape:

C

Surface Treatment:

Cadmium, qq-p-416, type 2, class 1 and nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-k
