Body Style:

Extruded

Overall Length:

8.850 inches

Overall Height:

1.340 inches

Overall Width:

5.350 inches

Unthreaded Mounting Hole Diameter:

0.162 inches single mounting facility and 0.182 inches single mounting facility

Mounting Facility Type And Quantity:

16 unthreaded hole single mounting facility

Material:

Aluminum or aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, class 1, type iii military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
