Body Style:

Rectangular prism

Overall Length:

1.060 inches

Overall Height:

0.167 inches

Overall Width:

0.610 inches

Unthreaded Mounting Hole Diameter:

0.066 inches single mounting facility and 0.071 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
