Overall Length:

11.500 inches

Overall Height:

3.120 inches

Overall Width:

3.760 inches

Switch Type:

Push

Lens Color:

Blue and green

Voltage Rating:

Between 115.0 volts and 440.0 volts

Contact Arrangement:

Double pole, single throw, normally open and double pole, single throw, normally closed

Mounting Method:

Unthreaded hole

Current Rating:

Between 0.4 amperes and 60.0 amperes

Component Type And Quantity:

4 light and 2 switch

Material:

Steel

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A507c0
