Overall Length:

16.300 inches

Overall Height:

3.150 inches

Overall Width:

15.980 inches

Unthreaded Mounting Hole Diameter:

0.253 inches single mounting facility and 0.257 inches single mounting facility

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h-32 federal specification single material response

Surface Treatment:

Chromate and paint

Surface Treatment Specification:

Mil-c-5541, class 3 military specification 1st treatment response

Style Designator:

Rectangular prism

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0

Mil-std (military Standard):

Mil-c-5541 spec.
