Body Style:

Extruded

Overall Length:

7.380 inches

Overall Height:

0.625 inches

Overall Width:

2.750 inches

Unthreaded Mounting Hole Diameter:

0.157 inches single mounting facility and 0.164 inches single mounting facility

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
