Overall Length:

0.650 inches

Overall Diameter:

0.050 inches

Mounting Facility Quantity:

1

Mounting Method:

Threaded bushing

Precious Material And Location:

Contact surface gold

Precious Material:

Gold

Surface Treatment:

Gold contact

Surface Treatment Specification:

Mil-g-45204 military specification single treatment response contact

Style Designator:

Dip solder tail contact

Terminal Type And Quantity:

1 threaded stud end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0

Mil-std (military Standard):

Mil-g-45204 spec.
