Hole Diameter:

0.500 inches

End Application:

Pacer special

Special Features:

Hardness critical item

Functional Description:

Grounding, zsr-65 band 3, forward, left hand, bottom

Material:

Steel comp 302

Material Specification:

Il-s-5059, 302 cond military specification 10th material response

Surface Treatment:

Passivate

Style Designator:

Diamond

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A032a0

Mil-std (military Standard):

spec.
