Body Material:

Aluminum alloy, qq-a-367, comp 6061, t6

Width:

1.390 inches

Length:

1.970 inches

Width Across Flats:

0.250 inches

Mounting Method:

Pressure

Fastening Facility:

Pressure

Chain:

Not included

Insert:

Not included

Material:

Aluminum alloy, qq-a-200/8, 6061, t6

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8, 6061, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T174-g
