Overall Length:

10.870 inches

Overall Height:

0.063 inches

Overall Width:

5.960 inches

Unthreaded Mounting Hole Diameter:

0.142 inches first mounting facility and 0.147 inches first mounting facility

Mounting Facility Type And Quantity:

4 unthreaded hole first mounting facility

Surface Treatment:

Nickel and chromate

Surface Treatment Specification:

Mil-c-26074, class 4, grade b military specification 1st treatment response and mil-c-5541 class 1a in holes military specification 2nd treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-26074 spec.
