Overall Length:

0.320 inches

Overall Height:

0.120 inches

Overall Width:

0.100 inches

Current Rating In Amps:

1.00

Mounting Method:

Spring tension

Material:

Plastic polyester contact insulation

Precious Material And Location:

Entire contact, less tin on the tail gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold contact

Style Designator:

Rectangular shape

Terminal Type And Quantity:

1 spring clip end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
