Special Features:

Artwork master pattern 2824404-1 required for manufacturing purposes2824404-1

Material:

Aluminum

Material Specification:

Qq-a-250/1 temp h14 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625 type 3 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
