Overall Length:

0.022 inches

Overall Diameter:

0.500 inches

Voltage Rating In Volts:

24.0 dc

Current Rating In Amps:

0.010

Mounting Method:

Terminal

Special Features:

Caution: part must not be touched with fingers or contaminated in any way

Material:

Stainless steel body and contact

Style Designator:

Cylindrical shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
