Body Style:

Board mounted

Overall Length:

1.563 inches

Overall Width:

1.050 inches

Unthreaded Mounting Hole Diameter:

0.046 inches first mounting facility

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Special Features:

Material is boron nitride-filled silicone rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
