End Application:

Mrap - common nsn - used on 3 mrap variants and 1 other weapon system

Product Name:

Terminal, boot insulator

Special Features:

Material is plastic polyvinyl chloride (pvc) or thermoplastic rubber (tpr) dielectric test iaw sae j 1128: color red. length is 3.10 inches max

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
