Body Style:

Board mounted

Overall Length:

7.385 inches

Overall Height:

4.500 inches

Overall Width:

0.500 inches

Unthreaded Mounting Hole Diameter:

0.061 inches single mounting facility and 0.063 inches single mounting facility

Mounting Facility Type And Quantity:

6 unthreaded hole single mounting facility

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, t3, cl 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
