Overall Diameter:

0.025 inches

End Application:

Interface support equip av8b and f14

Mounting Method:

Terminal

Material:

Metal body and contact

Precious Material And Location:

Body and contact surfaces gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold body and contact

Style Designator:

Pin crimp contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
