Unthreaded Mounting Hole Diameter:

0.250 inches all mounting facilities

End Application:

F15i lantirn

Mounting Facility Type And Quantity:

4 unthreaded hole all mounting facilities

Special Features:

Manufacturers suggested name, heatsink, diode, lase: used with "p" packagelaser diodes

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
