Overall Width:

0.032 inches

End Application:

5895-50-139-0052

Criticality Code Justification:

Feat

Special Features:

Conductive filler is silver plated aluminum particles; color blue; available in molded/extruded; emi

Material:

Silicone binding

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
