Overall Length:

0.480 inches

Overall Height:

0.094 inches

Overall Width:

0.063 inches

End Application:

5815-01-262-4611

Mounting Method:

Spring tension

Special Features:

Material is phosphor bronze

Material:

Copper alloy body and contact

Surface Treatment:

Tin body and contact

Style Designator:

Rectangular shape

Terminal Type And Quantity:

1 crimp end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
