Body Style:

Forced convection

Overall Length:

20.0 millimeters

Overall Height:

49.5 millimeters

Overall Width:

47.5 millimeters

End Application:

OSCI-LL-OSC-OPE,

Mounting Facility Type And Quantity:

1 connector single mounting facility

Special Features:

2-position female connector

Material:

Aluminum and plastic

Specification Data:

28480-54810-68501 manufacturers source control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
