**Body Style:**

Forced convection

**Overall Length:**

20.0 millimeters

**Overall Height:**

49.5 millimeters

**Overall Width:**

47.5 millimeters

**End Application:**

OSCI-LL-OSC-OPE,

**Mounting Facility Type And Quantity:**

1 connector single mounting facility

**Special Features:**

2-position female connector

**Material:**

Aluminum and plastic

**Specification Data:**

28480-54810-68501 manufacturers source control

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03600
