Overall Length:

1.300 inches

Overall Width:

1.000 inches

Accommodated Contact Quantity:

2

End Application:

5805-01-452-5730

Mounting Method:

Unthreaded mounting holes

Connector Identifying Number:

80063-a3178489 drawing no.

Special Features:

Drawing title: w

Material:

Aluminum alloy

Surface Treatment:

Tin

Shape:

Four sided other than rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A51410
