**Mounting Method:**

Spring tension

**Special Features:**

450 gf insertion force; 75 gf withdrawl force; 5000 mohms insulation resistance; 1000 vms withstanding voltage; 3 amps continuous current rating; 1.07 - 1.12 mm crimp height; -65 - 125 degrees c temperature range

**Material:**

Copper alloy contact

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0
