Mounting Method:
Spring tension
Special Features:
450 gf insertion force; 75 gf withdrawl force; 5000 mohms insulation resistance; 1000 vms withstanding voltage; 3 amps continuous
current rating; 1.07 - 1.12 mm crimp height; -65 - 125 degrees c temperature range
Material:
Copper alloy contact
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
