Overall Length:

1.062 inches

Pin Diameter:

Between 0.029 inches and 0.031 inches

Overall Diameter:

Between 0.059 inches and 0.061 inches

End Application:

Eagle f-15 aircraft

Mounting Method:

Solder

Special Features:

Contact material leaded nickel copper with gold finish; hood material is stainless steel with passivated finish

Material:

Copper alloy contact and nickel contact

Precious Material And Location:

Contaact gold

Precious Material:

Gold

Surface Treatment:

Gold contact

Style Designator:

Pin contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
