Overall Length:

3.600 inches

Overall Width:

1.171 inches

Product Name:

Plate switch adjustable

Special Features:

Surface texture; .125 imcroinches; finish, chem film

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11e federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
