Body Style:

Rectangular

Overall Length:

0.500 inches

Overall Height:

0.006 inches

Overall Width:

0.750 inches

Unthreaded Mounting Hole Diameter:

1.187 inches single mounting facility

End Application:

An/tsp-75; weapon system-tacticle air control systems 407I

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Special Features:

Thermally conductive; color-gray

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
