Body Style:

Board mounted

Overall Length:

11.000 inches

Overall Height:

1.000 inches

Overall Width:

9.000 inches

End Application:

5895-01-522-7167 satellite communication terminal

Mounting Facility Type And Quantity:

4 screw fourth mounting facility

Special Features:

Cpu thermal guard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
