

View Online at <https://aerobasegroup.com/nsn/5999-01-492-5851>

Overall Length:

1.250 inches

Mounting Method:

Cable

Special Features:

Temp range, m65c to p85c; impedance, 50 ohms; material, shell assembly, brass astmb16; shell plating, gold per mil-g-45204; ferrule, copper per astm b152; contact, brass per astm b16; contact plating, gol (50) ; contact type, coax; cable type, 142a, 142b; contact size 9; connector family, arinc 404; ferrule plating, tin; dielecttic material, polytetrafluoroethylene; dwg name, contact assembly coax socket and arinc coaxicon socet size 9

Precious Material And Location:

Shell plating; contact plating gold

Precious Material:

Gold

Style Designator:

Socket contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
