Overall Width:

0.250 inches

Cross-sectional Height:

0.062 inches

End Application:

Helicopter mh-53, navigation director mk-86

Special Features:

Pressure sensitive tap, standard 1, 200 inches, 50 shore a durometer rft-emi

Color:

Orange

Material:

Silicone emi/rfi conductor

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
