Overall Length:

4.000 inches

Overall Height:

0.500 inches

Overall Width:

4.000 inches

End Application:

An/bqh-7a ec3

Product Name:

Honeycomb

Special Features:

Manufacturer's name-electrovent shielding honeycomb, drip proof ventilation panel; panel includes honeycomb, frame and emi gasket; emi gasket material-wire knit, elastomer, neoprene

Material:

Aluminum alloy

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
