End Application:

Controller

Unit Package Quantity:

1

Component Quantity:

1

Component Document Origin:

Industrial

Document Source:

4h047

Document Type:

Commercial catalog

Component Document Page Number:

29

Document Identification:

Bulletin 100

Product Name:

Auxillary contact block

Special Features:

N.O., n.C, front mounting, electronic compatible contacts down to 17v, 5ma, quick mounting without tools

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
