Overall Length:

8.000 inches

Overall Height:

0.812 inches

Overall Width:

6.310 inches

End Application:

Nsn 1430-01-448-9835, communication relay group; guided missile

Accessory Components And Quantity:

Dummy circuit card 1, p/n 11466351; handle 1, p/n 11461876; rivet, solid-universal head 3, p/n ms20470ad2-4

Special Features:

Drawing name - dummy circuit card assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
