Cross Sectional Shape:

Emi hollow d

Overall Width:

0.156 inches

Color:

Blue

Material:

Silicone environmental seal

Material Specification:

Mil-d-83528/7 military specification all material responses

Precious Material And Location:

Conductive filler silver

Precious Material:

Silver

Surface Treatment:

Silver emi/rfi conductor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-d-83528 spec.
